All students eating breakfast are to enter the school through the doors by the cafeteria on parent pick-up B side. A teacher will be on duty at the doors to admit breakfast students. All other doors to the school building will be locked until 8:05 a.m. Starting at 8:05 a.m. students arriving on campus not eating breakfast are to sit quietly in the hallway outside of their classroom until their teacher admits them into class. Students arriving on campus after 8:30 a.m. must report to the office for a tardy slip before going to the classroom. For students who are not picked up from school by 3:00 p.m., parents will be required to sign them out in the front office.

Students who are habitually on campus before or after school hours will be referred to the school social worker. For your convenience, daycare is available through the YMCA before and after school in the cafeteria.

Parent Pick-up

Oakleaf Village Elementary has two separate parent pick-up entrances. The entrances have been broken down by the neighborhoods zoned for Oakleaf Village Elementary in an effort to alleviate student/parent confusion and possible traffic congestion.

The entrances are identified as Entrance A and Entrance B and have been broken down as follows:

Entrance A: Plantation Oaks Blvd. Entrance

- SILVERLEAF
- PEBBLECREEK
- THE COTTAGES
- WORTHINGTON OAKS
- HEARTHSTONE
- HIGHLAND MILL
- CANNON'S POINT
- THE OAKS

Entrance B: Oakleaf Village Parkway Entrance

- NATURE'S HAMMOCK
- FALL CREEK
- TIMBERFIELD
- WAVERLY
- LITCHFIELD
- STONEBRIER
- PIEDMONT

Parents will be given a car hang tag during orientation/registration for the parent pick up entrance assigned to their student. **If a parent is in the incorrect parent pick up line, they will be directed to the correct line to pick up to collect their child.** If you don't have a car tag you must park, come inside, and show your id. Additional car tags can be purchased in the front office.

Please adhere to all posted traffic signs when on campus. The speed limit is 5 miles per hour. No cell phone usage while driving on campus. Student drop-off and pick-up is allowed only in designated zones. Students are not allowed to use crosswalks without a parent/adult. No standing vehicles allowed on campus at any time.

Permission must be on file if someone other than the parent or legal guardian is permitted to pick up a student. Anytime someone not listed on the pickup list will be picking up a child from school, we require a written note stating that this person has a parent's permission to pick up their child. Please include the date and expected time of dismissal. Photo I.D. is required by all persons picking up a student.

EARLY CHECK-OUT

Early Check-Out will conclude each day promptly at 2:00 p.m. Parents will not be allowed to check out students after this time. Parents are strongly encouraged not to pick-up their child before the established dismissal times except for emergencies or when appointments are necessary. Students are expected to remain at school until 2:42 p.m. When students leave early, they miss valuable instructional time.

Attendance

Research shows that one of the most important factors contributing to student achievement is school attendance. The School District of Clay County takes pride in offering quality education to all students, and believes that regular school attendance is a very important part of educational success. Although missed school assignments can be made up, missed instruction cannot. It is at the discretion of the principal whether absences for family emergencies or extended absences will be considered excused or unexcused.

If excused absences become excessive, medical documentation may be required by the principal to excuse further absences. If your child has a chronic medical condition that may lead to his/her absence from school on a regular basis, a doctor's statement is required.

Students with 5 or more unexcused absences in a month or 10 unexcused absences in 90 calendar days must be referred to the school's Attendance Team, and the school will attempt to set up a meeting with the parent or guardian to try to resolve the attendance problem. When a parent or guardian does not participate in activities requested by the school to improve school attendance, legal action may result in the filing of a Truancy Petition with the court or referral to the State Attorney's Office (F.S. 1003.24). To be habitually truant means that a student has 15 unexcused absences within 90 calendar days. (F.S. 1003.27).

Tardies

Late entry into the classroom interrupts classroom procedure and instruction, so please make every effort to be on time. A child will be marked tardy if he/she arrives after 8:20 a.m. Tardies are not reflected as excused or unexcused.

Consequences for tardiness (which includes tardies to school, unless excused with a doctor's note)

9th Tardy- Warning with parent notification

10th-15th Tardy – Lunch Detention with parent notification by ISS assistant.

16th- 20th Tardy – Student will be issued a referral and assigned ISS with parent notification.

Excessive Tardiness(10 or more in one quarter): Administrator/Parent/Student Conference and assignment of ISS along with loss of extracurricular activities.

All tardies will be reset after each quarter is completed.

Please keep in mind that our goal is to make sure all students get to class on time to maximize their educational experience.

Excused Absences

Absences may be excused when it is due to personal illness of the student, serious illness or death in the immediate family, or if conditions exist making school attendance impossible or hazardous to health and safety.

Absences may also be excused when, in the opinion of the principal, the absence is to the educational advantage of the student. Absences may also be authorized to observe special and recognized holidays of a student's faith. All other reasons shall be considered unexcused.

It is the parent's responsibility to furnish a written excuse explaining the cause of each absence within three days of the student's return. Section 232 Florida Statutes provides that students whose absence(s) has been approved as "excused" will be able to make up assignments from their teachers upon their return to school. **A student is subject to retention if absent a total of 20 days in the school year.**

Make Up Work

Students are required to make up work missed due to **excused absences**. Students will be given a reasonable length of time to make up work, three days plus one day for each additional day's absence. Students are responsible for contacting teachers for work. Parents are encouraged to request assignments if they know their child will be out for an extended length of time. **A 24- hour notice for requested work packets is required.**

For pre-arranged absences all assignments will be given prior to the time of absence and will be due the day the student returns to school. Teachers will not be able to repeat in-class demonstrations, lectures, or instruction. Tests will be made up at the teacher's convenience.

Bikes & Scooters

Bikes may be ridden by students and parked in the assigned areas. This is a privilege, and if abused, the right to ride a bike may be taken away. It is recommended that bikes be locked during school hours. By law, all children riding bikes are required to wear a bike helmet. Bikes are not to be ridden on sidewalks around the school at any time. County policy prohibits the riding of bikes, roller blades/skates, go-carts, scooters, and skateboards on any school board property.

Check Policy

We accept checks under the condition that, if your check is returned or rejected for any reason, you expressly authorize your account to be electronically debited for the amount of the check plus a processing fee of \$30.00 or the maximum amount allowed by law. The use of a check for payment is your acknowledgment and acceptance of this policy and its terms and conditions.

Conduct & Discipline

CODE OF CONDUCT

Clay County School Board has adopted a *Code of Student Conduct*. It is available for students and parents to review either on-line at <http://oneclay.net/code-of-conduct/> or parents may request a paper copy from the school. The parent and student acknowledgment form is to be completed and returned to the child's teacher.

The *Code of Student Conduct* and School Rules will be explained each fall to the children. Discipline procedures are outlined in the *Code of Student Conduct* including such procedures for students with disabilities.

METAL DETECTORS

To protect the health, welfare, safety and lives of students, faculty, staff and visitors to Clay County Schools, and to enforce provisions of the *Code of Student Conduct*, hand-held metal detectors may be used to scan and screen for firearms, knives and other metallic weapons.

POSSESSION/USE OF WIRELESS COMMUNICATION DEVICES

Students may possess a wireless communication device while on school property provided certain guidelines are followed:

1. Immediately upon arrival on campus the wireless communication device must be powered off. If the device is powered on, it will be interpreted as being "in use".
2. The device must be kept in a location out of sight throughout the entire day/function.
3. The device should be clearly marked with the student's name.

"Usage" of a wireless communication device on campus at any time will result in disciplinary action. Criminal penalties may result if a wireless communication device is used in a criminal act.

If a wireless communication device is taken from a student for any reason, the student's parent must pick up the wireless communication device from the front office at the end of the school day.

School Rules

1. Students must walk bikes, scooters, and skateboards on school property. For the safety of the students, in-line skates, or Heelys are not allowed on campus.

The Administration has the authority to make the final determination related to school dress code issues, and reserves the right to establish rules during the school year regarding new fashion in dress.

The following guidelines concerning dress and appearance are to be followed:

Sturdy shoes or sneakers, (**not** "Crocs or similar foot wear) are necessary for safety during Physical Education or recess. Students who come to school dressed inappropriately will be expected to change. Parents will be contacted to bring appropriate clothing.

Field Trips

Grade levels will schedule field trips for educational enhancement. Field trip forms will be sent home by your child's teacher well in advance of a field trip. Due to bookkeeping and planning considerations, the deadline stated on the form is firm, and no payments after that date will be accepted.

Each classroom teacher will select an adequate number of chaperones. Chaperones will be chosen by the teacher and must pay at the time they pay for their child. If no payment is received by the deadline, another chaperone will be chosen. Chaperones must have a current volunteer form on file in the front office prior to the field trip date. Parents attending the field trip independently will not be considered school chaperones and will not be supervising children, including their own.

Grades

Report cards reflect each child's current level of mastery of appropriate educational expectations and standards. Grades will be earned in the following areas:

Kindergarten, 1st and 2nd grades:

Reading, Writing, Speaking and Listening, Language, Social Studies, Science, Mathematics, Personal Development:

- M = Mastery

Medical Emergency Information should be on file for each student listing other adults authorized by the parent to take the child home when the parent cannot be reached.

Home School Communication

Conferences

It is important that the parent, student and teacher work as a team in the educational process. It is best to schedule the conference before coming to school to ensure there will not be a conflict with another scheduled activity. Conferences may be scheduled on any school day between 7:45 a.m. and 8:15 a.m. or after school hours except Wednesday. Conferences will be held only with legal parent(s) and/or guardian(s).

Email

Teachers and parents may communicate via email. However, it is not possible to discuss a student by name or give personal information regarding a child. Email should be used for general communications. A parent having specific questions in regards to their child should contact the teacher by phone or schedule a conference.

Homework

Students may be assigned a reasonable amount of homework. It will be an appropriate extension of class work. Students should assume the majority of the responsibility for completing homework assignments.

We encourage parents to promote a positive attitude toward homework, to provide a consistent time and place for study, to assist with drills, and to be sure assignments are completed.

Parents can best help by reading with their child each night.

Library Books

Use of books from the media center is strongly encouraged. Books may be checked out for a week at a time and renewed once if necessary. Lost or damaged books must be paid for before checking out additional books.

Lost & Found

Please label your child's (ren's) belongings in case they are lost. Children should check the lost and found in the Clinic. Unclaimed articles will be donated to a charitable organization at the end of each nine week grading period.

Lunch/Breakfast

BREAKFAST

FREE/REDUCED BREAKFAST & LUNCH PROGRAMS

Applications for free and reduced lunches are distributed by the school; however, the Federal Government determines the family income that makes a student eligible. All parents are encouraged to complete an application. The application forms must be filled out each year. One form is used for all children in the family.

If your child received free or reduced lunch last year they will maintain that status until a new application is filed for 30 days after school open.

Pets on Campus

Please be advised that due to several health and safety concerns, pets are not allowed on campus.

Pets can become very nervous and show uncharacteristic behavior due to the confusion and all the little hands wanting to pet them.

Physical Education

Oakleaf Village Elementary is fortunate to offer an excellent P.E. program. Students who, because of illness or injury, are temporarily (1 to 3 days) unable to participate in physical education activities must present a note each time from their parent to the PE teacher explaining the problem.

Students who need to be excused from activities for a week or more must provide a doctor's excuse. If your child has any permanent physical restrictions or disabilities, please present a note from your child's doctor detailing the conditions and what the PE teacher may expect the child to be able to do.

School Property

Any student who damages school property will be required to replace the damaged property. Students are expected to take care of textbooks, library books or property issued to them. When a student loses or damages a textbook, he/she will be responsible for payment of the book(s).

TEXTBOOKS

Students will have textbooks assigned to them by their teacher. Students are encouraged to cover all textbooks to assist in keeping their books in good condition. Students losing or damaging a book shall be required to pay for such books. According to FL Statute, the failure to collect such sum upon reasonable effort by the principal may result in the suspension of the pupil from participation in extracurricular activities until the book is returned or paid for (FL Statute 233.34). Should a lost textbook that has been paid for be found, the money will be refunded. Students are permitted to take their textbooks home if necessary.

Telephones

Our telephones are for business and emergency use only. Parents should make arrangements in advance concerning rainy day transportation, clubs, and other after school activities. **Students or teachers will not be called to the telephone during school hours except in case of emergency.**

Parents are asked to contact teachers before or after the school day. Disruptions to the classroom reduce teaching and learning time.

Videotaping & Photography

Many students may be filmed or photographed throughout the year for outstanding accomplishments.

Videotapes may be aired on Clay Cablevision or used at local, state, or national conferences or workshops. Photographs may be placed in the newspaper or on our school's website or Facebook Page.

Students may also have their work displayed on our school website, Facebook Page, school newsletter or in local businesses, malls, or other public places. **Any parent objecting to their child's photo or work being publicly displayed must notify the school in writing within 48 hours of the child's enrollment.**

Visitors

ALL visitors to the school campus **MUST** check in at the Front Office. A picture ID will be required of all visitors.

We must insist on this to maintain the safety of all students. Children not enrolled in this school may not visit the classrooms during school hours.
